# RESCRIPTION OF THE SENSE SEO. 1 FOR THE PERSON 1 MAY THROUGH 30 JUNE 1950:

### I. PROBES

A. Personnel: The P/A for the area is CREAMED-26 and his W/T operator is CREAMED-31. CREATED-4 is reported on here for administrative resonant.

### B. Status

- 1. GRHAND-16 was not once during the puriod and given a training session much. GRHAND-31 has reflected possible sites to be used for enthing his N/I equipment which has been requested for addposed to GRINDIN via GRANDLL, an exact cacifing date will be set at the next meeting. Both agents remain reliable sessie and their tradecraft training and, in the case of GRHAND-31, N/I training should make then a satisfactory in medicus by early 1960.
- 2. GRHAMED-h was not once during the period and told that his contests with case officer would be reduced to ease a year because the "cayonimetics" was undergoing a reduction of forces. His milesy was set from AS 510, a month to AS 1000, a year. He was descent at this but said his conpersion with us was based on desire to do something against Communica and not somey. He substitled a report on an EE/II which had been long pending. After re-evaluating his warking potential as a support agant, we have decided to out contest with his altogether.
- G. Security: There has been to charge in the security of the operation, G. SLIMENOS reported that the stay of some Each Secure attems in his Qualitary was uneventful except that they left large mall-bound propagated books in each room. (These books were all collected by the Asstrian "Statementian agent that was analyzed to match that.) He buildened the "Statement address his Continue for ledging the Communicate because of his satisfact activity during World Her II.
- B. Draining: GRMANED-26 mas given a briefing on making of maching gives and was fold to case a possible site in Innshruck for practice and report on it at the next meeting.
- E. Brotzenski Multher egent has been issued say equipment. GRH ANNO-1 to still overedies of an air reception cache which we intend to recover show he is terminated this summer.
- 7. Administration: ORBLANED-h was paid his select through May 1959, a one month's Carisbons bonne, and AS 100, in expenses. ORBLANED-26 and -Jl were paid their selector through May 1959.

### II. PARETO

A. Staburs The contemplated termination of GRHLAMED-1 is not expected to cause any ascerity conditestions. He will be given a booms and told that case officer is being transferred to PSFRIME and that no replacement is expected. He will also be brisfed on his emergency context signal in case we must to context him spain. The six reception cache on his property will be recovered.
